

BIO MARYIA OAYDA

Maryia is an internationally recognised Business Transformation Specialist.

She helps ambitious senior executives and business owners in the Middle East achieve radical personal and professional transformation.

Maryia is an accomplished and results-driven individual with over 12 years of experience in managing all facets of business operations, she has dedicated over a decade to studying human behavior and psychoanalysis. She is a certified psychologist of law, family psychologist, and psychotherapist practicing psychoanalysis.

Maryia's point of difference is her Personal and Professional Transformation methodology. As a psychologist-turned-journalist, she had the incredible opportunity to interview over 600 successful personalities. Using her profound knowledge of human psychology, she identified and extracted success principles from those conversations and formulated impeccable system that can bring any business to new heights.

When you engage Maryia, you access 21,000 + hours of experience, knowledge and wisdom in Personal and Professional Transformation, social psychology and executive leadership. Maryia's goal is to enable people to broaden their horizons and look at themselves and their businesses from non-linear perspectives.

Maryia is highly empathetic, compassionate and tenacious. She loves sharing her wisdom with as many people as she possibly can and help them fulfill their wildest dreams.
